Kase Nikkei Community Scholarship Program

The Kase Nikkei Community Scholarship Program (Kase Program) will offer Nikkei students the opportunity to financially support their education and the work of a non-profit community organization while developing career and life-skills to increase their future employability. It will also increase their understanding of and provide the necessary tools to help address contemporary issues affecting San Francisco's Japantown. Coordinated by the Japanese Cultural and Community Center of Northern California (the Center/JCCCNC), the goal of the program is to support the development of the next generation of community leaders

Starting in June 2018, participants in the Kase Program will take part in an eleven-week (full-time, including some weekend days) community internship at the Center, a non-profit organization in San Francisco's Japantown.
