

The Fun is Back!

FAQs on Current Health and Safety Policies

(effective February 16, 2022)

The San Francisco Department of Public Health (SFPDH) recently announced that they would better align with the California Department of Public Health's (CDPH) decision to **lift the indoor masks requirements** for most indoor public settings. Starting February 16, 2022, the Center will no longer require masks, but will still require all participants to pre-register, show proof of vaccination and valid ID. This directive supersedes all prior face-covering guidance. View (effective 2/16/22) [SFPDH updated Health Order](#).

The Center still requires proof of VACCINATION (Complete Initial Series), valid photo ID and pre-registration for all programs/events. For the safety and comfort of the Center program participants, we also require ALL patrons and rental guests to pre-register and be fully vaccinated. **We highly encourage booster doses for those eligible.**

Should you have additional questions, please contact us at (415) 567-5505 or info@jcccnc.org.

1. When do I need to wear a mask at the Center?

You no longer need to wear a mask in the Center, since everyone is required to pre-register for programs/events, show proof of full vaccination and their photo ID.

2. What are your other policies?

We require all in-person program participants to **pre-register** and **upload their vaccination card** using our secure jotform. (*two doses + wait additional 14 days after final inoculation)

3. Will these policies change?

We will continue to monitor the SFPDH, CDPH and CDC guidelines and make adjustments as needed.

THANK YOU FOR YOUR COOPERATION!
